

# WLIC 2023: IFLA REGIONAL HUB

*Theme: Librarying SDG & IFLA Work Experience*

**MC: Ms Lindile Nhlapo**

**Programme Director: Ms Mokgadi Senyolo**

**Sign Language Interpreter: Ms Sophie Mabaso**

## **Background**

The theme of the Regional Hub for Sub Sahara Africa is in line with the SSA Regional Committee and it goes beyond to other topics that runs through the congress. Presentations showcase activities we do all the time not realising that it contributes to the attainment of SDGs and we are not leaving anyone behind.

The host of the Regional Hub, University of South Africa – UNISA, envisaged attendees will have nuggets from the programme to share with other colleagues who were not able to participate.
